Press Release
Community Night Out

On Tuesday, August 1st, 2017, the Alexandria Police Department and the City of Alexandria will join forces with thousands of communities nationwide in a celebration against crimes and drugs called the “34th Annual National Night Out”. **The Alexandria Police Department will be hosting our locally known Community Night Out “Growing Stronger by Building Strong Community Partnerships”.** There are thousands of communities nationwide and in other parts of the world participating. Our focus is on the City of Alexandria and our community.

The Alexandria Police Department cordially invites you to attend an evening of special events planned and organized in a community crime prevention effort that sends a strong message to our children and community. It is our goal to show the community what services the City of Alexandria has to offer its citizens. The Alexandria Police Department along with the Alexandria Street Department, Alexandria Parks Department, Alexandria Fire Department, Municipal Liquor Stores, Runestone Community Center, Alexandria Light and Power, North Ambulance Service, Life Link III, and Someplace Safe will combine our efforts and represent the many different facets within the city to show a unified effort to bring the community closer together.

This event is an effort to build stronger community partnerships, as a result of some of these partnerships that have been built we have had numerous organizations and businesses come forward and contribute to the event. The Eagles Lodge of Alexandria is sponsoring free hotdogs, Viking Bottling Company is sponsoring free beverages and chips, Culvers Restaurant is sponsoring free frozen custard, Cub Foods is sponsoring free hot dog buns. Bernick’s Pepsi is sponsoring free chips. Other contributors towards this year’s events are Henry’s Foods, and Paul’s Small Engine. We hope you can attend our Community Night Out celebration and help make our Community Night Out a success.
